There is a loose monster, a defense teacher who is not good for anything, and someone who is trying to read his mind. Language: English Words: 263,174 Chapters: 34/35? Congratulations: 17 Indicators: 4 Occurrences: 376 Reading Your Life/Feminino Harry Potter - Cordelia Lily-Dorea Potter-Black is about to go home for the summer of your fourth year, at the age of 14 facing dangers that Ministry of Magic still has not believed to be true. Collections: 1 Congratulations: 1282 Labels: 293 Occurrences: 54301 Lying to the edge of the motherhood and in the midst of a confused divorce of James, Lily is more than grateful when Severus enters and keeps it united while his world Slows. At least Lyra Malfoy likes her. Language: Ingan words: 67,350 Chapters: 16/16? Congratulations: 244 Indicators: 68 Occurrences: 4968 Astor spent years protecting his sister from the crucial words and insensitive acts from his supposed "family." As they were going to the big room one day before leaving, a mysterious and guest package appear, with books of the future over the 7 years of cordelia hogwarts and important parts before and after. A black wizard that the world believed "wrong á € á ø until one day, they receive a letter, and learn that they are not alone. The magic is real. Fortunately, director Dumbledore named Reluctant Professor Snape to train her in the two most important lessons she will need: How to prevent her blossoming Dark Talents if he teared into pieces, and how to be incorrigibly dramatic. Language: English Words: 12,108 Chapters: 3/? Congratulations: 26 Indicators: 13 Occurrences: Loki has the chance to change everything. Tom, in turn, wonders when Harry Evans will return to the mother ship. Heather will have to strive if she wants to protect her only her life, but her friends too. Staying very close canh. canh. 1 Congratulations: 272 Indicators: 102 Occurrences: 9991 The characters are made with the first book and ready to drive to the second. Who is Thanos to threaten everything she loves? And, ten years ago, her parents were murdered by a black wizard. Congratulations: 142 Indicators: 45 occurrences: 2282 They sought her to talk, sometimes cornering it in the garden or in the park, not that they had already much to say. Language: Ingan words: 76,104 Chapters: 30/30? She does not accept nonsense, she hates valentions and fanatics. Collections: 15 Congratulations: 5639 Labels: 1323 Occurrences: 239955 Harry is the girl who lived. Part 1 of God of Miscer, Master of Death Language: Words in English: 94,512 Chapters: 29/2010? More exploit of exotic spells, although they only have 12 years, so no one is still crazy. In order to stop Thanos, Loki would agree with anything, knowing what's coming, and so he does. Language: Ingan words: 101,769 Chapters: 42/2004? Collections: 1 Congratulations: 429 Labels: 100 occurrences: 9610 Severus Snape, the man who was partially responsible for the murder of Pottersá € lies the unpretentious protector of his daughter, Harriet. What happens when the family of Cori's first four years of Hogwarts and the past future of the books. Over the years, her attachment to Voldemort grows, and she does not want more than the return of her feelings. Collections: 23 Congratulations: 6491 Labels: 1784 visits: 176634 Draco enters the game Quidditch, angry and late, hoping to go out with a family- and ends two. Between having a shadow that moves on the own account and talking to grass snakes, learn that she is a witch really is not the strangest thing to happen to the girl with a scar on the neck. Part 1 of The Girl Who Lived Language: Ingan words: 7,389 Chapters: 3/? Katelye Potter PM Congratulations: 231 Indicators: 75 visits: 2927 Potter will be back for her second year at Hogwarts. The Norns, having tired of Odin's meddling in the Fabric, Fabric, decided enough. The Romantic tale of how Tom Riddle Mates and House Harriet Potter. She was Loki once, but she doesn't have more than that now, and she'll fight to keep her and the life she's made. His life changes when he eats his Hogwarts years and finds the one he is destined for. When she finds herself next to her again years later, the unexpected Bond that develops between them is a shock to everyone. Armed with this knowledge, but little else, Harry desperately tries to find a way home and once in his life does not spoil everything. She's definitely not helpless. He wakes up to find out that she is his horcrux. Her classmate and friend, Cedric Diggory was murdered a week earlier due to Lord Voldemort, the witch who killed her parents and tried to kill her when she was a baby, resurrecting in a ritual that used her blood. Fem! Harry / Fem! Draco Language: English Words: 2,934 capLabels: 1/1 kudos: 7 hits: 4 hits: 49 Mmato was incredibly lucky or terribly unlucky. The error changed the life of a Namikaze minate and changed the fate of the elemental NaÅškesjes. Indeed, Harriet thought snakes were quite ominous. As the two forge a path front, the mistakes of his youth are on the side and learn the immutable truth..... True love never dies. Update every Saturday! Language: english words: 23,213 caps: 9/? Kudos 13 Markers: 2 hits: 90 "I think that if you don't wish, you can't board a train". Part 1 of When Harry Met Tom Language: English Words: 174,253 caps: 31/? They're witches. When she arrives at Hogwarts, her bread teacher µ seems to have this for her. Language: english words: 15,151 caps: 10/? A dark assistant who one of them supposedly defeated. ... Part 9 of Harry Potter / Batman Crossoves Language: English Words: 38,037 capLabels: 16/? Kudos 442 Markers: 85 hits: 16878 She looks at her nephew ale ale arap etnemzilefni .ohnirbos met ofAn ale .atrac atse moc odroca ed euqrop ofAsufnoc I'm classified in Sonserina. Hera Potter grows up not knowing who she had been, what she must have been through, or that she's already struggling for something bigger than herself. This story 3 how he finds his redemption by helping her and, by doing so, unwittingly earns his affection and eventually his love. If it means fleshing out your soul over time and space, or using knowledge, it has to navigate a future, it should not know, it will do that. As the barriers fall between this life and the last, Ivy will have to navigate who she was to stay who she was. They can't help but lower their noses on 3 gotham vampires. But the thing is... Lady Gotham really hates it when her vampires are distracted from her task of keeping the shield. They will regret their decision on their vampires. Business .. Kudos 612 Markers: 147 hits: 21629 The night Voldemort kills the potters and turns his wand on his daughter, his curse recovers, but he is temporarily disabled. * Fem-Harry Characters * Language: ENGLISH WORDSS: 3,346 capLabels: 1/1 Kudos: 10 Markers: 1 hits: 132 Iris Potter arrives at Hogwarts optimistic, happy and a little overwhelmed in his fame. — Harriet Potter was always strange. Part 2 of the death in our language. english words: 21,126 5/? Death sees this as a chance to ask for the case, asking Loki to pass the necessary trials to become the master of death. Follow . Then his plans change and he takes her to be raised beside him. Part 1 of certain dark things Language: english words: 557,413 capLabels: 176/? And where does Odin come out thinking he had something to say? But nobody knows which one. Part 2 of The Golden Badger HP AU Language: English Words: 101,714 Chapter 23/27 Kudos: 172 Markers: 42 hits: 5805 Petronia Dursley receives a shock when she reads a letter from her long dead sister. 2 kudos: 1350 1350 463 Occurrences: 37472 Cullens decide to move to Gotham City. They soon discover that Gotham has many secrets, including having their own vampires. Congratulations: 685 Labels: 304 visits: 36812 Created by a single mother, the young Tom Riddle is determined to make his way in the magic world. Dead recently, Voldemort defeated, Holly has the choice: Go forward or go back. Congratulations: 111 Indicators: 42 Occurrences: 1042 When the battle in the Mistress Department heads south, Harry gets tossed back in time until 1942, where Tom Riddle is a mayor in his fifth year. All these things make a wild ride for the Dixon's sisters. Language: Words in English: 1,431 Chapters: 1/? And immediately reveals a Parselmouth. Language: Ingan words: 9,983 Chapters: 4/? Harriet attends Hogwarts School of Witchcraft and Wizardry, where she makes new friends, finds a prickly poção master, learns about the boy who lived, and knows the enigmatic defense instructor against the darkness of darkness, Professor Tom Slytherin . She continues, and by doing so, she is attracted to a plot of thousands of years in the creation. Congratulations: 714 Indicators: 185 Visits: 14208 When Severus Snape survives their wounds after the battle of Hogwarts, Harriet Potter offers to take care of abrasive alpha for respect and gratitude. Favorite Joined 03-09-15, ID: 6604040 Felicigra (5) Guadi-fic (110) SKYDRACONIS (1) Victoria Harleen Potter, Lady of Death began a life in the Americans when the dead begin to walk . Who is Dumbledore to think that a child should be responsible to win a war? Can they use the books to change their reality, and save all that Cori loves? Language: Ingan words: 8,636 Chapters: 4/? Language: Ingan words: 13,376 Chapters: 8/? 8/?
